

INVEST IN THE FUTURE **ADOPT A CLASS**
CHANGE A STUDENT'S LIFE!

Are you an intergenerational change-maker?

YOU'RE IN THE RIGHT PLACE!

We're **ADOPTING A CLASS** and changing student lives...

Have you had the chance to see how one parent's success creates opportunities for their children through generations? As an alum, Salama's mother knows how valuable the education provided at the NSWAS Primary School can be.

The Primary School is set to welcome Salama's little brother to a new 1st-grade classroom, despite increased tuition costs - but they can only do so with our help. With nearly 40 years experience providing bilingual, multicultural schooling for Palestinian and Jewish students, the Primary School represents a valuable opportunity for these young people, but also for the world at large.

The Primary School is a foundational part of the movement to build a shared future for Israeli Palestinians and Jews.

The American Friends of NSWAS believe in Salama, her brother, and their classmates as the future architects of peace. Our shared support of the Primary School's **intergenerational and multi-cultural education** opens the door to a brighter tomorrow for these students - and for all of us.

\$40,000 will open a brand new 1st-grade classroom, **doubling** the number of students served by the Primary School in that age group. With your help, the Primary School will welcome **24 new Israeli Jewish and Palestinian 1st-grade students** for the upcoming 2021-22 school year. If we can reach our goal, all students in the new classroom will receive **need-based full or partial scholarships**.

Will you step up for these young learners and help us **ADOPT A CLASS?**

- \$200** - 1 month scholarship for 1 student
- \$600** - 1 month scholarship for 3 students
- \$1,400** - Full-year partial scholarship for 1 student
- \$2,000** - Full-year scholarship for 1 student
- \$6,000** - Full-year scholarships for 3 students
- \$14,000** - Full-year partial scholarships for 10 students

Your donations won't just **double last year's impact**. This funding welcomes young people into an unmatched learning environment that will continue to make a difference **throughout their lives**. These young learners will participate in a world-renowned bilingual, multicultural curriculum built to foster a lifetime of **equity and mutual respect**. The relationships between these Palestinian and Jewish children are one of our greatest hopes for building a **peaceful future**.

Your generosity can provide a life-changing opportunity to **24 Palestinian and Jewish 1st-graders.**
