When you invest in a child's education at the internationally renowned NSWAS Primary School, you're not only investing in a brighter future for one child:

- You're taking a stand because you believe that Palestinian and Jewish children deserve to learn and grow **TOGETHER.**
- You're making space for Palestinian and Jewish families of all income levels to raise bilingual, highly educated children **TOGETHER.**
- You're building a community with trust and mutual respect at its center, enriching each family's life as they build a shared future **TOGETHER.**

These children are the future **advocates for equality** the world needs.

They are the **architects of peace** the world needs.

And right now, **THEY NEED YOU.**

PLEASE, DONATE TODAY TO SUPPORT THE PRIMARY SCHOOL'S 1ST GRADE CLASS

“You can breathe in the **magic atmosphere of learning**, see **classes that have come together as a group** and watch staff **working wholeheartedly to advance** each and every student.”

- Neama Abu Delo, Primary School Principal

“I love Arabic and Hebrew, math is fun, and I like art. When I am big, I want to be a teacher to work with children - **or to be prime minister, so I can make peace.**” - Aya, Primary School Student

MEET YONI & YAARA

Yoni and Yaara met at the Primary School.

Yoni is Jewish and Yaara is Palestinian.

They aren't just friends for life, they are part of a unique learning institution building a future of peace, mutual respect, and cultural sharing.

They both excel in their language lessons in Arabic and Hebrew. They both play the recorder and take a special interest in music.

They both enjoy outdoor science projects and learning about sustainability.

Their parents have become active in the school, bringing positive impacts to their entire communities.

Primary school teachers, administrators, parents, and students recently visited the Knesset to testify in a special hearing on binational education, extending the Primary School's positive impacts across the nation.

But new 1st grade students like Yoni and Aya cannot attend the Primary School without your generous donations.

WE NEED TO RAISE \$20,000 THIS SUMMER TO ENSURE STUDENTS WITH FINANCIAL HARDSHIPS CAN ATTEND THE PRIMARY SCHOOL.

Yoni, Aya, and all of these remarkable students are on this journey because donors are **stepping up**. They receive this priceless education because of support from **people just like you**.

PLEASE GIVE TO ENSURE A CHILD'S PLACE IN THE 1ST GRADE CLASS FOR THE COMING YEAR.

“I love making peace!” - Yoni, Primary School Student

YOUR DONATIONS MAKE A LASTING DIFFERENCE:

- \$2000:** Full scholarship for one 1st grade student
- \$500:** Partial scholarship for one 1st grade student
- \$250:** Supplemental science and music materials for one 1st grade student

A PEACEFUL FUTURE IS POSSIBLE!

Young people prove this every day at the NSWAS Primary School. That peaceful future needs these students.

RIGHT NOW, THEY NEED YOU.
